Overall Width:

2.600 inches

Overall Length:

5.360 inches

Operation Method:

Handle

Engaging Surface Width:

1.632 inches

Overall Height:

0.740 inches

Material:

Steel pivot

Material Specification:

Qq-s-640 federal specification single material response hook

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
