Hole Diameter:

Between 0.199 inches and 0.209 inches

Width:

0.500 inches

Material Thickness:

0.025 inches

Length:

1.410 inches

Mounting Method:

Unthreaded hole

Material:

Steel comp 1095

Material Specification:

Ams 5121 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
