**Hole Diameter:**

Between 0.199 inches and 0.209 inches

**Width:**

0.500 inches

**Material Thickness:**

0.025 inches

**Length:**

1.410 inches

**Mounting Method:**

Unthreaded hole

**Material:**

Steel comp 1095

**Material Specification:**

Ams 5121 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
