Width:

0.750 inches

Thickness:

0.125 inches

Length:

1.375 inches

Mounting Hole Diameter:

0.410 inches all holes

Mounting Hole Quantity:

1

Mounting Hole Type:

Unthreaded

Corner Radius:

0.375 inches

End Application:

M551

Special Features:

One end round with mounting hole other end square

Material:

Steel comp 1137 or steel

Material Specification:

Astma a109 assn standard 1st material response or astm a569 assn standard 2nd material response

Surface Treatment:

Paint

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
