Overall Length:

6.300 inches

Overall Height:

0.750 inches

Overall Width:

2.300 inches

End Application:

B-57

Design Type:

Flange

Special Features:

Used on canopy

Material:

Aluminum alloy

Material Specification:

Qq-a-225/9, alloy 7075 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A536n0
