## **Overall Length:**

5.125 inches

#### **Overall Height:**

0.750 inches

# **Overall Width:**

1.500 inches

## Mounting Hole Diameter:

Between 0.250 inches and 0.261 inches

### Mounting Hole Quantity:

4

## Material:

Aluminum alloy 2024

#### Material Specification:

Qq-a-355, t4 federal specification single material response

#### Surface Treatment:

Anodize

## Surface Treatment Specification:

Mil-a-8625, ty i, cl i military specification single treatment response

Shelf Life:

N/a

## Unit Of Measure:

--

#### **Demilitarization:**

No

# Fiig:

A042a0

## Mil-std (military Standard):

Mil-a-8625 spec.
