First Leg Style:

Square

Second Leg Style:

Square

Special Features:

2 clinch nuts pressed in leg holes

Heat Treatment:

H-34 strain hardened

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
