Casehardening Indicator:

Casehardened

Flange Diameter:

2.000 inches

Flange Thickness:

0.156 inches

Overall Height:

7.863 inches

Body Outside Diameter:

1.750 inches

Body Inside Diameter:

1.710 inches

Material:

Steel, corrosion resisting

Material:

Stainless steel

Style Designator:

Parallel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T319-a
