**Width:**

0.750 inches

**Overall Height:**

0.460 inches

**Material Thickness:**

0.018 inches

**Length:**

0.410 inches

**Mounting Method:**

Unthreaded hole

**Distance From Loop Center To End:**

0.223 inches

**Loop/holding Dimension:**

0.375 inches

**Material:**

Copper alloy 170 or copper alloy 172

**Material Specification:**

Qq-c-533 federal specification all material responses

**Surface Treatment:**

Cadmium and chromate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
