Overall Length:

1.720 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

1.430 inches

Mounting Facility Quantity:

2

Handle Clearance:

0.185 inches

Material:

Steel

Material Specification:

Qq-s-766, 300 series, 1/2h federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
