Overall Height:

Between 0.1700 inches and 0.1800 inches

First Step Diameter:

Between 1.4260 inches and 1.4270 inches

Bore Diameter:

Between 0.0800 inches and 0.0820 inches

Material Hardness Rating:

Between 35.0 rockwell c and 42.0 rockwell c

Design Type:

Solid

End Diameter:

Between 0.9160 inches and 0.9260 inches

Distance From End To First Step:

0.0900 inches

Material:

Steel, corrosion resisting

Material:

Stainless steel

Surface Treatment:

Lubricant dry film

Style Designator:

Seat

Surface Treatment:

Dry film lube per airesearch ems2402

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
