**Width:**

0.500 inches

**Material Thickness:**

0.020 inches

**Length:**

1.300 inches

**Loop Radius:**

0.210 inches

**Features Provided:**

Cushion

**Material:**

Steel comp 302

**Material Specification:**

Qq-s-763, 1/4 hard federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
