Width:

0.500 inches

Material Thickness:

0.020 inches

Length:

1.300 inches

Loop Radius:

0.210 inches

Features Provided:

Cushion

Material:

Steel comp 302

Material Specification:

Qq-s-763, 1/4 hard federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
