Mounting Hardware:

Not furnished

Overall Length:

1.922 inches

Overall Height:

0.596 inches

Overall Width:

1.405 inches

Casters:

Not included

End Application:

6625-00-490-7204 frequency counter

Leveling Facility:

Not provided

Leg Material:

Plastic, molded

Special Features:

Two unthreaded holes 0.130 in. Dia; distance between holes 1.010 in.

Material:

Plastic, molded

Supplementary Features:

All radii and fillets to be .03; draft angles not specified not to exceed 2 degrees

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T144-h
