Width:

Between 1.688 inches and 1.812 inches

Length:

Between 29.000 inches and 29.500 inches

Environmental Protection:

Inherently repellent

End Type:

W/attachment

End Clip Material:

Steel, aisi 4130

End Clip Quantity:

1

Keeper Material:

Nylon

Keeper Quantity:

4

Fastened Keeper Feature:

Included

End Attachment/fastening Facility:

Clip

End Clip Style Designator:

End hook

Special Features:

Keeper material per mil-f-21840, type 1 or type 2, class 1

Color:

Olive drab

Material:

Fiber, polyester, mil-w-25361, type 3 or dacron

Material:

Plastic polyester or plastic polyethylene terephthalate

Material Specification:

Mil-w-25361, type 3 military specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T372-b

Mil-std (military Standard):

Mil-w-25361 spec.
