Chamfer Length:

Between 0.010 inches and 0.040 inches

Overall Length:

Between 13.940 inches and 14.060 inches

Overall Diameter:

0.250 inches

Special Features:

Surface roughness 10 uin

Material Specification:

Qq-p-35 federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
