Hole Diameter:

Between 0.374 inches and 0.375 inches

Rod Connection Bore Diameter:

Between 0.470 inches and 0.530 inches

Rod Connection Bore Depth:

Between 3.010 inches and 3.050 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-w-700/3, temper t3, type 1 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A264a0
