Overall Length:

5.155 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

4.875 inches

Mounting Facility Quantity:

2

Handle Clearance:

2.060 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8, t6 federal specification single material response or qq-a-225/8, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
