Overall Length:

8.938 inches

Center To Center Distance Between Mounting Facilities Parallel To Width:

1.000 inches

Handle Clearance:

2.220 inches

Material:

Aluminum alloy 2011

Material Specification:

Qq-a-225/3, t3 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0

Mil-std (military Standard):

Mil-a-8625 spec.
