Width:

8.500 inches

Edge Shape:

Rectangle, no holes

Length:

9.000 inches

Special Features:

Mark per im-23 type i

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531c0
