Material Thickness:

0.050 inches

Mounting Hole Diameter:

Between 0.161 inches and 0.166 inches

Mounting Hole Quantity:

6

Door Leaf Width:

1.000 inches

Material And Location:

Steel, mil-s-5059 body and steel, mil-s-5059 wafer or steel, mil-s-6721 wafer and cres, ams 5673, pin and cres, ams 5673, spring

Surface Treatment And Location:

Passivated

Special Features:

90.0 degrees gooseneck

Style Designator:

Tee

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25100
