Securing Device Type:

Threaded fastener

End Application:

F-15a/b acft

Product Name:

Cover, acs-diverter, upper end fs416.500 to fs 435.500

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531c0
