Overall Length:

2.250 inches

Overall Height:

2.500 inches

Overall Width:

3.000 inches

Design Type:

Straight

Special Features:

There is a slot is 1.240 inches from left side; the slot is 0.530 by 1.50 inches and the slot is from left end

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
