Securing Device Type:

Threaded fastener

End Application:

F-15c/d/j acft

Product Name:

Cover, access - fuel tank no. 1

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531c0
