**Securing Device Type:**

Threaded fastener

**End Application:**

F-15c/d/j acft

**Product Name:**

Cover, access - fuel tank no. 1

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/12 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A531c0
