Width:

Between 0.469 inches and 0.531 inches

Extended Length:

34.000 inches

Mounting Method:

Unthreaded hole

Side For Which Designed:

Right hand

Closed Length:

Between 16.970 inches and 17.030 inches

Material:

Aluminum alloy 2014

Material Specification:

Qq-a-200/2, t6 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100

Mil-std (military Standard):

Mil-a-8625 spec.
