Overall Length:

55.750 inches

End Application:

F-4 phanthom ii

Overall Diameter:

0.089 inches

Product Name:

Pin-hinge, outboard engine access door, 3a

Material:

Steel comp 302

Material Specification:

Qq-w-423, form 1, condition b federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
