Thread Length:

0.440 inches left internal (includes through thread)

Length:

2.440 inches

Cross-sectional Shape:

Hexagon

Special Features:

Flanges on both ends

Material:

Steel comp 303

Material Specification:

Qq-s-764, canceled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08900
