Extension Drawer Slide - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-074-3373

Extended Length:
20.000 inches
Mounting Method:
Unthreaded hole
Closed Length:
17.000 inches
Surface Treatment:
Anodize
Special Test Features:
Pair of slides in cosed position mtd at front and rear of rack only capable of withstanding static acceleration of 30g vertically and 10g latterally
w/o physical deformation
Surface Treatment Specification:
Mil-a-8625, type 2, class 1 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03100
Mil-std (military Standard):
Mil-a-8625 spec.
