Width:

1.750 inches

End Type:

Both w/attachments

Hook Quantity:

1

Hook Connection Type:

Nonswiveling

Keeper Material:

Steel

Keeper Quantity:

1

Fastened Keeper Feature:

Not included

End Attachment/fastening Facility:

Hook and keeper

Special Features:

Buckle no. 31013, webbing no. 30118 and hook and kepper no.33210 are included

Material:

Nylon, mil-w-27265, class I

Material:

Plastic polyhexamethylene adipamide

Material Specification:

Mil-w-27265, class I military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T372-b

Mil-std (military Standard):

Mil-w-27265 spec.
