**Width:**

0.750 inches

**Material Thickness:**

0.125 inches

**Length:**

1.750 inches

**End Application:**

2350-01-103-5641

**Loop Opening Width:**

0.500 inches

**Loop/holding Dimension:**

0.500 inches

**Material:**

Aluminum alloy 5086

**Material Specification:**

Qq-a-250/7 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03100
