Hole Diameter:

0.195 inches

Gripping Surface Condition:

Grip aid

Special Features:

Used on m1, m1a1 tank

Material:

Aluminum alloy 356.0

Material Specification:

Qq-a-596, alloy 356, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
