End Application:

Winchester electronics mdls mra/mre/mrac 41 blocks

Component Quantity:

12

Component Document Origin:

Industrial

Document Source:

81312

Document Identification:

22389

Functional Description:

Used to lock mating connectors together

Fsc Application Data:

Connector, plug, electrical-series mra, mre, mrac-jtc41h-h1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
