End Application:

Winchester electronics mrac18

Component Quantity:

12

Component Document Origin:

Industrial

Document Source:

81312

Document Identification:

22389

Functional Description:

Used to lock mating connectors together

Fsc Application Data:

Connector, plug, electrical-series mrac-jtc18-h13

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
