Mounting Location:

Under shelf

Features Provided:

Screw

Err Default:

Err default and err default

Special Features:

Kunit pkg quantity: 200; unit pkg type: carton; case width: 12.700 mm.Nom.; case length: 50.800 mm nom; matl ident color tan; material and location: plastic cellulose acetate fscm 74364 case; style designator: magneti (v2) ;

Material:

Steel strike

Surface Treatment:

Plastic case

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10600
