**Inside Diameter:**

0.138 inches

**Diameter:**

0.500 inches

**Special Features:**

Material thickness: 0.150 in.

**Material:**

Steel comp 303

**Material Specification:**

Qq-s-764, type 303-cancelled federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535s0
