Inside Diameter:

0.138 inches

Diameter:

0.500 inches

Special Features:

Material thickness: 0.150 in.

Material:

Steel comp 303

Material Specification:

Qq-s-764, type 303-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535s0
