Overall Length:
6.530 inches
Center To Center Distance Between Mounting Facilities Parallel To Length:
6.500 inches
Mounting Facility Quantity:
2
Handle Clearance:
1.750 inches
Thread Size:
0.190 inches
Color:
Black handle
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-225/8, t6 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 2, class 2 military specification single treatment response
Thread Series Designator:
Unf
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A250a0
Mil-std (military Standard):
Mil-a-8625 spec.
