End Application:

Uh-60a; eh-60a

Special Features:

Material per ss 5202

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1 military specification all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531c0

Mil-std (military Standard):

Mil-a-8625 spec.
