Hole Diameter:

0.250 inches

Overall Width:

1.560 inches

Overall Length:

6.215 inches

End Application:

2330-01-303-8832 m1000 chettt trailer.

Hole Quantity:

2

Engaging Surface Width:

1.200 inches

Engaging Surface Thickness:

0.050 inches

Overall Height:

0.920 inches

Material:

Steel spring

Material Specification:

Astm a684 assn standard single material response spring

Style Designator:

Lever

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
