Diameter:

Between 0.182 inches and 0.192 inches

Length:

Between 0.248 inches and 0.252 inches

Cross-sectional Shape:

Round

Material:

Steel comp 303

Material Specification:

Aisi303 assn standard single material response

Style Designator:

Internally threaded full length

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08900
