Width:

4.250 inches

Edge Shape:

Band type

Length:

16.190 inches

Securing Device Type:

Strap clamp

Special Features:

Al alloy per qq-a-250/8, temp h32 doubler on cover

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, temp h32 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0
