Hole Diameter:

0.125 inches

Gripping Surface Condition:

Smooth

Overall Length:

11.250 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
