Bolt Circle Diameter:

3.125 inches

Outside Diameter:

Between 3.995 inches and 3.997 inches

Bolt Circle Hole Quantity:

4

Material:

Nickel alloy

Material Specification:

Qq-n-286, class a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531c0
