Overall Length:

3.375 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

3.000 inches

Mounting Facility Quantity:

2

Handle Clearance:

1.375 inches

Thread Size:

0.190 inches

Special Features:

Oval shape

Material:

Aluminum alloy 2011

Material Specification:

Qq-a-225/3, t3 federal specification single material response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
