Overall Length:

1.288 inches

Handle Height:

0.810 inches

Handle Clearance:

0.380 inches

Special Features:

Contains raised letters reading day

Material:

Iron malleable and steel

Material Specification:

Qq-s-681, class 80-40 federal specification 2nd material response

Surface Treatment:

Nickel

Style Designator:

U

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A250a0
