Overall Length:

6.420 inches

Overall Width:

5.120 inches

Overall Thickness:

1.062 inches

Mounting Facility Quantity:

3

Mounting Method:

Unthreaded hole

Mounting Facility Diameter:

0.220 inches

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
