Cross Sectional Shape:

Flat

Width:

4.055 inches

Edge Shape:

Rectangle, no holes

Length:

7.125 inches

Body Thickness:

1.141 inches

Securing Device Type:

Hinge

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531n0
