**Overall Length:**

208.250 inches

**Overall Width:**

1.000 inches

**Material Thickness:**

0.188 inches

**Mounting Hole Diameter:**

Between 0.196 inches and 0.201 inches

**Mounting Hole Type:**

Countersunk

**Special Features:**

70 holes

**Material:**

Aluminum alloy 3003 or aluminum alloy 6063

**Material Specification:**

Qq-a-200/1 temper f federal specification 1st material response or qq-a-200/9 temper t5 federal specification 2nd material response

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
