End Application:

B-52 acft

First Leg Thickness:

0.060 inches

Second Leg Thickness:

0.060 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287, t0 federal specification single material response

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
